We Need Photos!

Occupational health nurses traditionally have not pictorially represented their professional duties. If you have photographs depicting yourself or other occupational health nurses involved in direct care of employees, safety programs, health promotion/disease prevention programs, education, or counseling, you are invited to submit them to the *AAOHN Journal* for possible publication.

Credit will be given to the source or provider of photos selected for publication.

Requirements for photos are: black and white preferred, any size, with a special need for vertical photos for possible use on the cover.

Send photos to Geraldine C. Williamson, MN, RNC, Editor, *AAOHN Journal*, 6900 Grove Road, Thorofare, NJ 08086.
